

FALL / 2021

“Seek the welfare of the *City*” – Jer. 29:7

REDEMPTIONCHURCH is going to Serve R City on October 16th. We are asking each Ministry Leadership Team to spearhead a project in our community that will show the love of Jesus to our city. If your ministry already serves a local organization on a regular basis, then utilize the Serve R City emphasis to do something special for them.

If you don't currently partner with a local organization, here are a few guidelines to help you develop your ministry plan:

1. The ministry must benefit an individual or group that is NOT A MEMBER of REDEMPTIONCHURCH.
2. We will contribute up to \$150 towards your project. Please, keep additional fundraising within your group members.
3. Save your receipts and request reimbursement up to \$150 from Shana Gray at shanag@goredemption.com.
4. Please use the Ministry Team Worksheet to submit your ministry plan by October 3rd. Turn it in to Shana or scan and e-mail it to shanag@goredemption.com.
5. Groups may work together to perform a single project.

There are 3 Categories of ministry that count as Serve R City Projects. These categories are meant to serve as guides for your Ministry Team to think about what project would best fit.

- Connection Making: (i.e. Block party in your community to connect with the unchurched/underprivileged, appreciation lunch/dinner for Healthcare workers, First Responders, City Sanitation workers, Teachers)
- Service Project: (i.e. cleanup, power washing, beautification, repair, landscaping, painting, etc. for Widows, Local Schools, neighborhood/community park)
- Ministry Partnership: (Serve one of our local ministry partners by meeting specific needs – *listed on the next page*)
